Custom Apple AirPods Pro 2 (USB-C)

SKU AIRPODSPRO2C

AirPods Pro 2 deliver up to 2x more Active Noise Cancellation than the previous generation, with Transparency mode that enables you to hear the world around you, and all-new Adaptive Audio that dynamically tailors noise control to your environment. Conversation Awareness helps lower media volume and enhance the voices in front of you while you're interacting with others. A single charge delivers up to 6 hours of battery life. And Touch control lets you easily adjust volume with a swipe. The MagSafe Charging Case is a marvel on its own with Precision Finding, built-in speaker, and lanyard loop.

Custom AirPods Pro 3

SKU AIRPODSPRO3

Discover the AirPods Pro 3, Apple's latest premium in-ear headphones designed for immersive audio, advanced health insights, and seamless integration with your devices. Powered by the H2 chip, they deliver exceptional sound quality with a redesigned acoustic architecture for deeper bass, clearer vocals, and a wider soundstage. With the world's best in-ear Active Noise Cancellation—up to 2x more effective than AirPods Pro 2—these earbuds adapt to your environment using Adaptive Audio and Transparency modes, while Personalized Spatial Audio with dynamic head tracking creates a three-dimensional listening experience. Additionally, the innovative Live Translation feature enables real-time, in-person language support across select languages, allowing you to converse effortlessly by pressing the stems on both earbuds to activate translation mode—it captures spoken words, lowers ambient noise for clarity, quickly translates (such as from Spanish to English), and delivers the result privately in your ear, with even better privacy and accuracy when both participants are using compatible AirPods. Available in white, they feature a smaller, more secure fit based on thousands of ear scans, with five sizes of silicone ear tips for all-day comfort.

Enhanced with USB-C charging and compatibility across Apple's ecosystem, these over-ear headphones offer high-fidelity sound, customizable controls via the Digital Crown, and environmental considerations with recycled materials, making it a luxurious choice for audiophiles.

Custom JBL Clip 5 Portable Waterproof Bluetooth Speaker
SKU CLIP5

The JBL Clip 5 ultra-portable Bluetooth speaker is small enough to hold in one hand, but don't let the size fool you—it's big where it counts. A wide, fully integrated carabiner is big enough to clip to just about anything. The powerful driver and passive radiator deliver bigger, louder JBL Pro Sound and punchy bass. A single charge gives you up to 12 hours of playtime—and even more if Playtime Boost is turned on. Speaking of outside, it's IP67-certified waterproof and dustproof, so it's a natural to take on your next hike or camping trip. Pair two Clip 5s together for stereo sound, or instantly connect it with multiple JBL Auracast-enabled speakers for even bigger sound over more space. Plus it's available in a variety of colors, so you're sure to find one that fits your vibe. Every day is an adventure with the JBL Clip 5.
