UL Corded PowerLink 5000

Power up effortlessly with the UL Corded PowerLink 5000, a UL-certified 5000mAh power bank engineered to meet the highest safety standards for worry-free charging. Its 5000mAh capacity provides enough power to fully charge most smartphones, keeping you connected during travel, work, or play.

SKU PWB504UL

DualCharge Mini Keychain UL Powerbank

The DualCharge Mini Keychain Power Bank is an ultra-compact emergency charger featuring built-in USB-C and Lightning cables, allowing users to charge most smartphones and devices directly without carrying extra cords. The built-in cables can also recharge the power bank itself when plugged into a USB-C power source.

SKU PWB506UL

Denver Retractable Cable Power Bank

The Denver Retractable Cable Power Bank delivers true cable-free convenience. Featuring a built-in retractable cable with both USB-C and Lightning tips, it lets you charge most devices instantly. The USB-C cable can also recharge the power bank itself — so you never need to carry any extra cable.

SKU PWB508UL

Austin 10K Built-in Cable Power Bank

The Austin 10K Built-in Cable Power Bank delivers ultimate convenience and safety in a sleek, compact design. Equipped with built-in USB-C and Lightning cables, it allows you to charge most devices instantly without carrying extra cords. The built-in USB-C cable can also recharge the power bank itself when connected to a USB-C power source.

SKU PWB509

Apex 65W Built-in Cable Power Bank 20,000mAh

The Apex 65W Built-in Cable Power Bank 20,000mAh is a powerful all-in-one charging solution designed for maximum convenience. It features both a built-in USB-C cable and a built-in Lightning cable, so you never have to carry extra charging cables again.

SKU PWB511

Phoenix MagSlim 3-in-1 Power Bank

The Phoenix MagSlim 3-in-1 Power Bank is an ultra-slim magnetic charger that snaps securely to your iPhone and can also charge your earbuds case and smartwatch. Compatible with both iOS and Android devices, it eliminates the need to carry multiple chargers and cables, giving you true all-in-one convenience.

SKU PWB511D

Nashville MagSlim 3-in-1 Digital Power Bank

The Nashville MagSlim 3-in-1 Digital Power Bank is an ultra-slim magnetic charger that snaps securely to your iPhone while also charging your earbuds case and smartwatch. Compatible with both iOS and Android devices, it eliminates the need to carry multiple chargers and cables.

SKU PWB515

Seattle MagSlim Wireless Power Bank

The Seattle MagSlim Wireless Power Bank is an ultra-slim, premium magnetic charger that feels almost invisible when attached to your iPhone. With strong MagSafe-compatible magnets and a sleek metal body, it snaps securely in place and delivers fast wireless charging — no plugs or cables needed.

SKU EP245 

Vista ANC Over-Ear Headphones

The Vista ANC Over-Ear Headphones deliver an immersive listening experience with powerful sound and effective Active Noise Cancellation. Designed with large, one-piece ear cups and premium drivers, they create a peaceful, distraction-free environment ideal for commuting, working, or relaxing.

 **SKU EP247**

Vanguard Wireless Over-Ear Headphones

The Vanguard Wireless Over-Ear Headphones deliver high-definition sound with custom 40mm dynamic driver units and composite diaphragms, offering powerful bass, clear vocals, and rich audio detail. Designed for extended comfort, they feature soft leather ear cushions with memory foam lining and a flexible metal-reinforced headband that provides a gentle, pressure-free fit.

SKU WCG127 

TriCharge 65W Wall Charger

Charge your laptop at lightning speed while powering two more devices simultaneously with dual USB-C ports and one USB-A, delivering up to 65W total output. Its ultra-compact design and foldable plug make it travel-ready, plus a large imprint area for easy customization with logos or branding. Ideal for busy users needing fast, reliable multi-device charging on the go!
