

Chinese New Year Schedule 2017

Due to the upcoming Chinese New Year, our oversea delivery will be adjusted to the following delivery and proof approval schedules. Please make sure to plan in advance your orders. Thank you for choosing Sunjoy.

Please Note:

Our turnaround time is based on your approval of the virtual proof; if the approval of your proof is delayed, your in-hands date will be postponed and may be affected by the factory shut-down.

US Imprinted Programs

For 2017, we are introducing many more US imprinted items to meet you last minutes order requirements. We offer the “Best Pricing” for all those items and as always for our oversea programs. Please check here for our [Chicago IL stock items](#) and check here for our [Seattle WA stock items](#).
